Maturity profile

What they say

"This is a prestigious external validation of our commitment to ethical labour standards and our day-to-day actions on the ground in pursuit of this."

Marshalls

"The ELS has helped us drive positive change by encouraging buy-in from all departments and providing a pathway for setting clear objectives. By supporting continual improvement, the ELS makes our processes more resilient to the threat of criminal infiltration."

Sir Robert McAlpine Ltd

"VGC Group has an ethical approach to how we treat our people and deliver our activities. This independent verification clearly demonstrates how we have embedded the issues of ethical labour supply and modern slavery throughout VGC."
